"TAKE A STROLL THRO' BOLLMAN'S." - ALWAYS SOMETHING NOVEL, ALWAYS SOMETHING NEW

BOLLMAN'S
-H20-H22 OLIVE STREET-
(Leave the Car at Twelfth Street.)

A CARD Regarding the largest and most complete Piano Factory in the world.

Krell-French Piano Co.

Factories, Newcastle, Ind. Incorporated under the laws of the State of Indiana. Capital, \$500,000, all paid in.

Albert Krell, president; Jesse French, vice president; Otto Bollman, second vice president; Charles L. Decker, treasurer and solicitor; Edward R. Plan, secretary.

Have one of the largest and finest equipped piano plants in the world. Capacity 15,000 to 16,000 instruments per annum.

The Krell-French Piano Co. contains all the most modern and latest improvements, the finest up-to-date machines, many of which were invented and originated by the company.

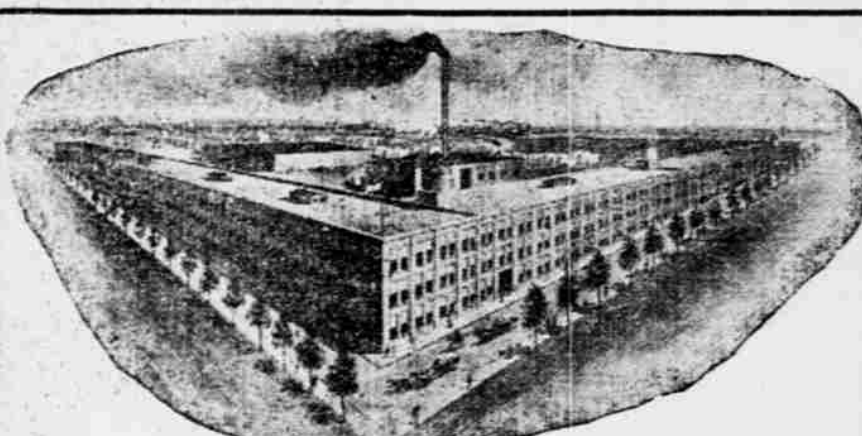

Among the shareholders of this company are several of the most prominent and successful piano dealers in the United States. Manufacture the "Krell-French" piano, and also manufacture other instruments bearing the names of the makers who are stockholders.

Mr. Albert Krell, the president, is a pianist of experience, and comes of a distinguished musical family, which has for half a century been prominently connected with the musical development and the musical industries of the west. Jesse French, the vice president, is a pianist of experience, and comes of a distinguished musical family, which has for half a century been prominently connected with the musical development and the musical industries of the west. Jesse French, the vice president, is a pianist of experience, and comes of a distinguished musical family, which has for half a century been prominently connected with the musical development and the musical industries of the west.

Mr. Otto Bollman, second vice president, also president of several piano companies, is a pianist of experience, and comes of a distinguished musical family, which has for half a century been prominently connected with the musical development and the musical industries of the west.

Doctor and with such firms closely associated as members of the above mentioned company in a position to produce an artistic instrument of the highest grade at reduced cost.

Commercial and financial standing of the highest—John C. Freund, in Piano and Organ Purchaser's Guide for 1903.

The place where the "Bollman" and "Reutner" Pianos are made, the largest Piano Factory in the World—Capacity 15,000 Pianos per annum.

THE POPULAR REUTNER PIANO
